Pu'ukoli'i General Store & Deli/Hibiscus Bar & Grille The Westin Ka'anapali Ocean Resort Villas

Ka'anapali, Maui, Hawaii

Part of the guest support functions of this premium timeshare resort, the Pu'ukoli'i General Store and Deli provide for guests' everyday sundry needs. The Deli includes ready-to-grille meats, gourmet salads, and restaurant-quality fresh packed foods, as well as pre-packaged items, pastries and beverages. Espresso drinks and smoothies prepared at the juice bar provide a full range of items for guests' convenience.

The 130-seat Hibiscus Bar and Grille services guests as the resort's only dining facility. The covered open-air poolside dining area affords guests casual alfresco dining under trellis and market umbrellas, lit by tiki torches with pool, waterfall and ocean views beyond. Kitchen service to the dining area is provided remotely by the resort's main kitchen at the nearby Clubhouse basement. From this same basement kitchen, dumbwaiter service provides support to the Deli at the main Clubhouse floor, as well as room service.
