Isenberg Street UH Faculty Housing

Honolulu, Oahu, Hawaii

This proposed UH Faculty Housing Project located on the existing Bowl-O-Drome site consisted of two apartment towers over 4 levels of above-grade parking. Additional parking was also planned under the adjacent Stadium Park. Two schemes were proposed for the site. Scheme A was designed with a wider, more horizontal building which included 50 one-bedroom and 222 two-bedroom units. Scheme B included 60 one-bedroom and 212 two-bedroom units within two taller and narrower towers. Each scheme was configured to take advantage of mauka views as well as towards Stadium Park.
