## Waiawa Ridge - Parcels 17A & B

Waiawa, Oahu, Hawaii

This single family project was Castle & Cooke Homes Hawaii, Inc.'s response to a Request for Proposals. Utilizing the Zero Lot Line development concept, maximum density was achieved while still providing areas devoted to green space within the project. Units range from 1,800 to 2,000 square feet of living area with 3 to 4 bedrooms and options up to 6 bedrooms. Exterior elevations will be enhanced with the use of covered lanais, wrap around porches and extensive architectural details to create an attractive residential community that is complementary to the adjacent Village Center site.
