Dining Room & Beach Bar Kukio Beach Club

North Kona, Island of Hawaii, Hawaii

At this exclusive luxury private beach club on the Kona Coast, the 75 seat stand-alone Dining Room is sited on the edge of a private beach with expansive ocean views. Designed in the style of contemporary hybrid Balinese and Hawaiian architecture, the heavy beamed and authentic reed-thatched structure provides a rustic and casual yet elegant alfresco dining experience. Adjacent to the main Dining Room is an intimate 8 seat private dining room, nestled among lush landscaping for privacy. The open air Beach Bar, located adjacent the Dining Room, also affords expansive beach and ocean views, and provides beverage service to the nearby club pool.
